

PROJECT REPORT ON
RETAIL MANAGEMENT APPLICATION USING
SALESFORCE (DEVELOPER) - (LONG-TERM)

Introduction:

Retailing encompasses the business activities involved in selling goods and services to consumers for their personal, family, or household etc. A CRM product owner has requested to create two applications, one is a sales app for sales reps to use this application and store customers data, and the second application is a service app for service reps/agents to provide support to customers in dealing cases. To generate business on top of the customer.

Milestone-01 : Introduction & Creation Salesforce Org

➔ Creating a developer org in salesforce

- Go to [developers.salesforce.com/Signup](https://developers.salesforce.com/signup)
- Click on sign up.
- On the sign up form, enter the following details :
- First name & Last name : Sharishma & Singamala
- Email : singamalasharishma@gmail.com
- Role : Developer
- Company : Gayatri degree college
- County : India
- Postal Code : 517501
- Username : cherry@gdcproject.com
- Click on sign up after filling this

The screenshot shows the Salesforce Developer Edition sign-up page. On the left, a blue banner features a monitor displaying a Salesforce interface and the text: "Build enterprise-quality apps fast to bring your ideas to life". Below this, a bulleted list highlights features: "Build apps fast with drag and drop tools", "Customize your data model with clicks", "Go further with Apex code", "Integrate with anything using powerful APIs", "Stay protected with enterprise-grade security", and "Customize UI with clicks or any leading-edge web framework". On the right, the Salesforce logo is at the top, followed by the heading "Sign up for your Salesforce Developer Edition" and the subtext "A full-featured copy of the Platform, for free". A grey box instructs the user to "Complete the form to start your free trial. Our team will be in touch to help you make the most of your trial." The form includes fields for "First Name*" (Sharishma), "Last Name*" (Singamala), "Email*" (singmalasharishma@gmail.com), "Role*" (Developer), and "Company*" (Gayatri Degree College). An "Activate Windows" watermark is visible in the bottom right corner.
